

March 20, 2017

Dear Brothers,

It is without hesitation and with great enthusiasm that I recommend Ahnika LeRoy for the position of Secretary-Treasure of the Midwest District of Kappa Kappa Psi for the 2017-2018 school year.

Ahnika has been a member of our chapter for over 5 semesters and has been one of the most involved and passionate brothers I have ever met. During Ahnika's first semester as an active brother, she leapt at the opportunity to pilot the new Public Relations Chair position and through her service, she made a ginormous impact regarding the growth of our chapter's positive reputation within the College of Music and instilling a greater sense of pride for Kappa within the chapter, as well. She served as Alpha Iota's PR Chair for the entirety of the 2015-2016 school year and she did such a good job, that we have since continued to have a PR chair because of her magnificent efforts, which proved the new position to be valuable.

In the next election cycle, Ahnika ran for treasurer and blew us all away with her qualifications and passion for making our budget and spending even more efficient. However, we had one other extremely qualified brother run against her for the position and ultimately voted to elect him. However, the chapter agreed that Ahnika's talents were too extraordinary to not be utilized. So because of her vigor, passion, and qualifications, the chapter decided to create a new position for her as our chapter's Financial Analyst due to her extensive experience in Xcel, product-cost analysis and optimization, budget creation and stream-lining, money management, record keeping, and more. She and our treasure, Bennett, work extremely well together to determine where we are spending our money, how we are spending it, and in which areas we can spend more or less according to the Five Purposes of Kappa Kappa Psi while maintaining fiscal health.

With Ahnika as our Financial Analyst, I have absolutely zero reservations about Alpha Iota's financial future. I believe that she has set a precedent like none before her when it comes to record keeping and smart spending. Together, Ahnika and Bennett have increased our band merchandising sales by 60% and in addition to her superb organization skills, they have made it so that we can safely offer two \$500 scholarships (twice as many as last year from Alpha Iota for students in the College of Music here at the University of Colorado, while still maintaining sufficient funds for all other operational and service-related costs that Alpha Iota pursues.

I cannot think of anyone I would trust more to run our district's budget than Ahnika LeRoy. She has such an enthusiasm for Kappa that may only be rivaled by her enthusiasm for creating financial growth models. My only hesitation in recommending Ahnika for the position of the MWD Secretary-Treasure is that if she were elected, we would have to share her wonderful talents with the district.

Please do not hesitate to ask for further clarification if needed.

In the Bonds,

Kristina Lu
President of the Alpha Iota Chapter
University of Colorado – Boulder
