To Whom It May Concern:

I am pleased to submit this letter of recommendation in support of Ahnika LeRoy's application for the Kappa Kappa Psi Midwest District Secretary Treasurer position.

As the Associate Director of Bands and Director of the "Golden Buffalo" Marching Band at the University of Colorado, Boulder, I have gotten to know Ahnika over the past couple of years. During this time, Ahnika has stood out to me as a highly motivated and dedicated leader. She has a fantastic work ethic and the investment she makes in all aspects of her life is clearly evident. Ahnika also demonstrates a desire to lead by example, which is a personal characteristic that I admire.

Additionally, Ahnika has served as a leader in the University of Colorado community. Serving as a leader within the University of Colorado Marching Band, Ahnika committed herself to bettering the organization by offering her talents and experience. By providing a dedicated spirit and enthusiasm, she also made a positive impact while representing the organization and the university with class. Ahnika's important involvement in leadership positions in the Alpha Iota chapter of Kappa Kappa Psi points to her drive and desire to assist in making any organization with which she is associated successful. Serving as the chapter financial analyst has allowed Ahnika to bring an expertise in her field to benefit Alpha Iota brothers and chapter as a whole.

Finally, Ahnika is an excellent communicator and facilitator. In her leadership roles, she has demonstrated a wonderful ability to provide positive communication. Ahnika is professional always and remains sensitive to the needs of those with which she interacts. She would thrive in the position of Secretary Treasurer and would continue to represent her brothers extremely well.

Therefore, I recommend without hesitation that Ahnika LeRoy be selected for the Kappa Kappa Psi Midwest District Secretary Treasurer position. Should you have any questions or need further information, please feel free to contact me at (303) 492-6585.

Sincerely,

Matthew J. Roeder, DMA
