

March, 2017

Dear Brothers of the Midwest District:

This letter is to recommend Mr. Jaydee Griffith for your next Midwest District Vice President. I got the pleasure to work extensively with Jaydee last year, as he was convention chair. He did an amazing job, and I'm thrilled that he's taking the initiative to run for District Office.

From my personal experience, Jaydee is diligent, intelligent, and selfless. As 2016 Convention chair, and as Xi President this past year, Jaydee has the experience necessary to be a wonderful leader in the district capacity.

Joint relations are crucial to make this District run smoothly, and I commend Jaydee for his understanding of this, and ability to work across the board to serve everyone in the Midwest District. He has a maturity beyond his years, and this trait a fantastic quality to have to be a Midwest District Officer. He embodies the ideals of Kappa Kappa Psi, and it would be a pleasure to serve with him.

In conclusion, I fully endorse Jaydee for the position of Kappa Kappa Psi Midwest District Vice President, and know that he would do a phenomenal job. I honestly think he would do amazing as District President as well, but please place him where you see fit.

AEA,

Leslie Gartin
